<i>Tenth series of texts submitted by the Editorial Committee to the plenary meeting:</i> <b>Programme 4</b> – Economics and financing, including cost and tariffs	<b>197</b>	<b>210</b>
<i>Eleventh series of texts submitted by the Editorial Committee to the plenary meeting:</i> Programme implementation directives	<b>197</b>	<b>211</b>
<i>Twelfth series of texts submitted by the Editorial Committee to the plenary meeting:</i> <b>Resolution 17 (Rev.Doha, 2006)</b> – Implementation of regionally approved initiatives at the national, regional, interregional and global level <b>Annex 1</b> – Americas regional initiatives <b>Annex 2</b> – RCC regional initiatives <b>Annex 3</b> – Asia-Pacific regional initiatives <b>Annex 4</b> – Arab regional initiatives <b>Annex 5</b> – African regional initiatives	<b>194</b>  <b>201</b>	<b>212(Rev.1)</b>

## B. Documents 1- 225

Doc. No.	Source	Title
1		Draft agenda for WTDC-06
2	Arab States common proposal	Resolution CC ICT applications
3 (Rev.3)	Arab States common proposal	Resolution 18 (Doha, 2006) Special technical assistance to the Palestinian Authority
4	Note by the Secretary-General	Secretariat of the Conference
5	Caribbean Telecommunication Union	Caribbean spectrum management task force
6 (+Corr.1)	Inter-American Telecommunication Commission (CITEL) Common Proposal	Draft Resolution Strategic and financial framework for the elaboration of the Doha Action Plan
7	Rwanda (Republic of)	Strengthening the Rwanda Regulatory Agency and promotion of ICT-based small and medium enterprise
8	Kyrgyz Republic	Promotion of multimedia interactive digital broadcasting in remote and mountainous regions of the Kyrgyz Republic
9	Kyrgyz Republic	Project for the development of telemedicine in the Kyrgyz Republic
10 (Rev.1)	Director of the BDT	Report of the TDAG to WTDC-06 (according to CV215JA)
11	Chairman of ITU-D Study Group 1	Report of ITU-D Study Group 1
12	Chairman of ITU-D Study Group 2	Report of ITU-D Study Group 2
13	Director of the BDT	Proposed revision of Resolution 9 (Rev. Istanbul, 2002)
14	Director of the BDT	Proposals for questions – ITU-D Study Group 1
15	Director of the BDT	Proposals for questions - ITU-D Study Group 2
16	Director of the BDT	Proposed text of Resolutions [1] and [2] for the ITU-D sector based on the report of the Telecommunication Development Advisory Group, concerning the working methods of the ITU-D
17 (Rev.1)	Director of the BDT	World Summit on the Information Society
18	Director of the BDT	Contribution of the ITU-D to the ITU strategic plan
19	Somali Democratic Republic	Proposal to the World Telecommunication Development Conference 2006 on emergency telecommunications

<b>Doc. No.</b>	<b>Source</b>	<b>Title</b>
20	Independent State of Samoa	Proposal from the government of Samoa to the World Telecommunication Development Conference 2006, on Small Island Developing States
21	Arab States common proposal	Proposed WTDC-06 action plan, programmes, special activities and initiatives for decision
22	Arab States common proposal	Resolution 24 (Rev. Doha, 2006)
23	Arab States common proposal	ITU-D working methods in relation to the Study Groups and TDAG, proposed questions, and the minimum budget for Study Group activities in 2006
24	Mexico	Power-line communications
25	Mexico	Stimulating the development of cable telecommunication networks
26	Mexico	Integrating assistance to indigenous peoples within the activities of BDT and its various programmes
27	Mexico	Draft Resolution Creation of a new Question for Study Group 1 concerning access to telecommunication services for people with disabilities
28	Arab States common proposal	Deletion of Resolution 28 (Istanbul, 2002)
29	Myanmar	Implementing the public access centers by Myanmar Info-Tech
30	Arab States common proposal	Annex to future Resolution 71 (Rev. Antalya 2006) Strategic Plan for the Union 2008-2011
31	Argentine Republic	Draft new Question for Study Group 1 on the impact of telecommunication development on the creation of employment
32	Common proposal of the Asia Pacific Countries	Rural communications
33	Common proposal of the Asia Pacific Countries	ICT development frameworks and principles
34	Common proposal of the Asia Pacific Countries	Promoting regulatory frameworks on telecom/ICT
35 (Rev.4)	Somali Democratic Republic	Resolution 57 (Doha, 2006) Assistance to Somalia
36	Director of the BDT	Status of telecommunication/ICT development
37	Israel (State of)	Proposal of E-strategy initiatives
38 (Rev.2)	Director of the BDT	Report on the outcomes of the preparatory process for the World Telecommunication Development Conference

Doc. No.	Source	Title
39	Director of BDT	Proposal made by TDAG based on the report presented by the Chairman of the informal meeting of Chairmen and Vice-Chairmen of WTDC-06 regional preparatory meetings
40	Morocco (Kingdom of)	Project to set up a digital documentation centre on information and communication technologies in Morocco
41 (Rev.1)	Director of the BDT	Activity 1
42	Director of the BDT	Activity 2
43	Director of the BDT	Programme 1
44	Director of the BDT	Programme 2
45	Director of the BDT	Programme 3
46	Director of the BDT	Programme 4
47	Director of the BDT	Programme 5
48	Director of the BDT	Programme 6
49	China (People's Republic of)	Proposal on promoting universal telecom services worldwide
50	Uzbekistan (Republic of)	Preliminary proposals by the administration of the Republic of Uzbekistan for WTDC-06
51	China (People's Republic of)	Proposal on promoting telecom regulatory reform in an environment of technological convergence
52	Japan	Draft Resolution XX (Doha, 2006) Enhancement of knowledge and effective application of ITU Recommendations in developing countries
53	Japan	NGN standardization for developing countries
54	Moldova (Republic of)	Enhancement and development of the legal and regulatory framework in the Republic of Moldova for effective introduction of infocommunication technologies in health care
55	Moldova (Republic of)	Fostering broadband access as a component of universal access package in Moldova
56	Moldova (Republic of)	Elaboration of a system for the administration of e-health resources in Moldova
57	Belarus (Republic of)	Formulation of recommendations on the choice of technologies and models for transition to multiservice telecommunication networks in the Republic of Belarus
58	Belarus (Republic of)	Establishment of community telecentres in rural localities using broadband access to telecommunication networks

<b>Doc. No.</b>	<b>Source</b>	<b>Title</b>
59	Belarus (Republic of)	Enhancing the effectiveness of the ITU Russian service
60 (Rev.1)	Asia-Pacific Telecommunity (APT)	Internet multilingualization
61 (Rev.1)	Asia-Pacific Telecommunity (APT)	Quality of service for wireless/mobile (voice) communication services
62 (Rev.1)	Asia-Pacific Telecommunity (APT)	Human resource development for least developed countries
63 (Rev.1)	Asia-Pacific Telecommunity (APT)	Increased cooperation in the areas of SPAM and cybersecurity
64 (Rev.1)	Asia-Pacific Telecommunity (APT)	Draft Resolution on strengthening cooperation among telecommunications regulators
65 (Rev.1)	Asia-Pacific Telecommunity (APT)	Growth of telecom infrastructure and services in rural areas through competition
66	Director of the BDT	Report on the implementation of the Resolutions and Recommendations of WTDC-02
67 (+Corr.1)	Director of the BDT	Report to WTDC-06 on the Istanbul Action Plan (ISAP) programmes and activities
68 (Rev.1)	Asia-Pacific Telecommunity (APT)	NGN network planning
69 (Rev.1)	Asia-Pacific Telecommunity (APT)	Accelerating the telecommunication/ICT development in rural communities
70 (Rev.2)	Asia-Pacific Telecommunity (APT)	Strengthening regulatory cooperation and capacity in the Asia-Pacific region
71 (Rev.1)	Asia-Pacific Telecommunity (APT)	Provision of telecommunication resources for disaster mitigation and relief operations
72 (Rev.1)	Asia-Pacific Telecommunity (APT)	The unique needs of small island developing states in Asia and the Pacific for telecommunications/ICTs
73	Common proposal of the Asia Pacific countries	Regional initiatives for Pacific Islands
74 (Rev.1)	Asia-Pacific Telecommunity (APT)	Strengthening the collaboration between ITU-T and ITU-D to bridge the standardization gap in developing countries
75	United States of America	Proposed ITU-D question on disaster prediction, detection, and mitigation
76	United States of America	Proposals for continuing reform of the ITU-D Study Groups
77	United States of America	Proposals to further adapt the ITU-D
78	United States of America	Executive summary

Doc. No.	Source	Title
79 (Rev.2)	Arab States common proposal	Resolution 5 (Rev. Doha, 2006) Enhanced participation by developing and least developed countries in the activities of ITU
80	Arab States common proposal	Resolution 8 (Rev. Istanbul, 2002) Collection and dissemination of information and statistics
81	Arab States common proposal	Resolution 10 (Rev. I Doha, 2006) Financial support for national spectrum management programmes
82	Arab States common proposal	Resolution 11 (Rev. Doha, 2006) Telecommunications and information technology in rural, isolated and poorly served areas
83 (Rev.3)	Arab States common proposal	Resolution 13 (Rev. Doha, 2006) Resource mobilization and partnership for accelerating telecommunication and information technology development
84	Arab States common proposal	Resolution 15 (Rev. Doha, 2006) Applied research and transfer of technology
85 (Corr.1)	Arab States common proposal	Resolution 16 (Rev. Doha, 2006) Special actions for the least developed countries
86 (Rev.1)	Arab States common proposal	Resolution 20 (Rev. Doha, 2006) Non discriminatory access to modern telecommunication and information technology facilities and services
87	Arab States common proposal	Resolution 23 (Doha, 2006) Internet access and availability for developing countries and charging principles for international internet connection
88 (+Corr.1)	Arab States common proposal	Resolution 27 (Rev. I Doha, 2006) Admission of entities or organizations to participate as associates in the work of ITU-D
89	Arab States common proposal	Resolution 30 (Doha, 2006) Role of ITU-D in implementing the decisions of the World Summit on the Information Society
90 (Rev.1)	Arab States common proposal	Resolution 31 (Rev. Doha, 2006) Regional preparations for World Telecommunication Development Conferences
91 (+Corr.1)	Arab States common proposal	Resolution 32 (Rev. Doha, 2006) International and regional cooperation
92 (+Corr.1)	Arab States common proposal	Resolution 34 (Doha, 2006) The role of telecommunications and information technology in disaster early warning and mitigation
93 (Rev.3)	Arab States common proposal	Resolution 37 (Rev. Doha, 2006) Bridging the digital divide

<b>Doc. No.</b>	<b>Source</b>	<b>Title</b>
94 (+ Corr.1)	Arab States common proposal	Resolution 22 (Rev. Doha, 2006) Alternative calling procedures on international telecommunication networks, identification of origin and apportionment of revenues in providing international telecommunication services
95	Arab States common proposal	Resolution 40 (Rev. Doha, 2006) Human resource development in future study periods
96 (Rev.3)	Arab States common proposal	Resolution 51 (Doha, 2006) Provision of assistance and support to the Republic of Iraq to rebuild and re-equip its public telecommunication systems
97	Caribbean Telecommunication Union	Caribbean Center of Excellence project
98	Secretary-General of ITU	Impact of WSIS on ITU
99 (+Corr.1)	Inter-American Telecommunication Commission Member States (CITEL) Common Proposal	Integrating assistance to indigenous peoples within the activities of BDT and its various programmes
100 (Rev.1)	Russian Federation	ITU-D role in implementation of WSIS decisions and sector reform
101 (+Corr.1)	Inter-American Telecommunication Commission Member States (CITEL) Common Proposal	Power-line communications
102 (+Corr.1)	Inter-American Telecommunication Commission Member States (CITEL) Common Proposal	Stimulating the development of cable telecommunication networks
103	Director of the BDT	Report on the Telecommunication Development Advisory Group activities
104	Arab States common proposal	Resolution 21(Rev. Doha, 2006) Coordination and collaboration with regional organizations
105 (Rev.1)	Common proposals submitted by ITU Member States of the Association of Southeast Asian Nations (ASEAN)	ITU cooperation on strengthening policy and enabling environment in the ICT sector
106 (Rev.2)	Navajo Nation Telecommunication Regulatory Commission	Assistance and promotion to indigenous communities in the world: information society through ICTs
107	Telecommunications Authority of Trinidad and Tobago (TATT)	Interconnection of information networks for disaster prevention

<b>Doc. No.</b>	<b>Source</b>	<b>Title</b>
108 (+Add.1) (+Corr.1(Rev.2))	African common proposal from several countries	Human and institutional capacity building
109 (+Corr.1(Rev.1))	African common proposal from several countries	Strengthening and harmonizing policy and regulatory frameworks for an integration of African ICT markets
110 (+Add.1) (+Corr.1(Rev.1))	African common proposal from several countries	Development of a broadband infrastructure and achievement of regional interconnectivity
111 (+Corr.1(Rev.1))	African common proposal from several countries	ICT applications
112 (+Corr.1(Rev.1))	African common proposal from several countries	Introduction of new digital broadcasting technologies
113	Cuba	Establishment of a Caribbean task force on spectrum management
114 (Rev.1)	CEPT	Resolution 31 (Rev. Doha, 2006) Regional preparations for the World Telecommunication Development Conference
115	Inter-American Telecommunication Commission Member States (CITEL) Common Proposal	Draft Resolution Creation of a new Question in Study Group 1 regarding access to telecommunication services to persons with disabilities
116 (Rev.5)	Arab States Common Proposal	Resolution 45 (Doha, 2006) mechanisms for enhancing cooperation on cyber security, including combating spam
117	Peru	Connectivity in rural, marginal urban, and isolated areas in the Americas region
118	Secretary-General of the ITU	Agreement between the Government of the State of Qatar and the Secretary-General of the International Telecommunication Union
119	Secretary-General of the ITU	Budget of the World Telecommunication Development Conference (WTDC-06)
120	Secretary-General of the ITU	Financial responsibilities of Conferences
121	Secretary-General of the ITU	Contribution to the expenses of the Conference
122 (+Corr.1)	Arab States Common Proposal	Resolution 14 (Rev. Doha, 2006) Optimal ICT integration
123 (+Corr.1)	Arab States Common Proposal	Recommendation 13 (Rev. Doha, 2006) Requests for technical assistance for developing countries
124 (+Corr.1)	Arab States Common Proposal	Proposed revision to Resolution 43 (Istanbul, 2002) Assistance for implementing IMT-2000

<b>Doc. No.</b>	<b>Source</b>	<b>Title</b>
125 (Rev.2))	Serbia and Montenegro	Resolution 33 (Rev. Doha 2006) Assistance to Serbia and Montenegro for rebuilding its destroyed public broadcasting system in Serbia
126	Regional Commonwealth in the field of Communications (RCC)common proposal	Ubiquitous broadband access provision
127 (+Corr.1)	Common Proposal from Several Countries	Countering spam
128	Regional Commonwealth in the field of Communications (RCC)common proposal	Proposals to reflect the interests of countries with economies in transition in ITU-D documents
129	Regional Commonwealth in the field of Communications (RCC)common proposal	Mobile multipurpose units for rural, remote, sparsely populated and poorly accessible regions with an insufficiently developed infrastructure
130 (Rev.1)	Regional Commonwealth in the field of Communications (RCC)common proposal	List of seminars of interest to RCC telecommunication administrations
131	Regional Commonwealth in the field of Communications (RCC)common proposal	Centers for the registration of digital e-signature keys
132	Regional Commonwealth in the field of Communications (RCC)common proposal	Functional model of a governmental portal
133	Regional Commonwealth in the field of Communications (RCC)common proposal	Establishment of a interactive multimedia digital broadcasting network in countries with mountainous terrain
134	Regional Commonwealth in the field of Communications (RCC)common proposal	Universal introduction of telemedicine systems: Establishment of a comprehensive telemedicine system for the national and/or regional service responsible for providing medical assistance to the population in the aftermath of emergency situations
135	Regional Commonwealth in the field of Communications (RCC)common proposal	Optimization of radio monitoring networks
136	Regional Commonwealth in the field of Communications (RCC)common proposal	Creation of international centres for the implementation of new technologies
137	Regional Commonwealth in the field of Communications (RCC)common proposal	Future development and establishment of "Centres of Excellence" and creation of a learning space

Doc. No.	Source	Title
138	Regional Commonwealth in the field of Communications (RCC)common proposal	Creation of a single medical information space through the linking of regional and national telemedical consultation and diagnosis systems
139	United Republic of Tanzania	Proposal for special actions for least developed countries
140	Common Proposal from the RCC	Universal introduction of telemedicine systems Establishment of a system, supported by infocommunication technologies and fixed and mobile laboratories, for combating tuberculosis, aids, malaria and other epidemics of infectious illnesses
141	United Republic of Tanzania	Draft Resolution on special actions for the least developed countries
142 (+Corr.1)	Common proposal from several countries	Call for a framework to develop national regulation on site sharing (co-location)
143 (+Corr.1)	Common proposal from several countries	Sustainability of the Arab Centre of Excellence
144 (Rev.1)	Director of the BDT	Draft structure of the World Telecommunication Development Conference (WTDC-06) and suggestions for the terms of reference of Committees and the Working Group of the Plenary
145	Algeria (People's Democratic Republic of)	Proposals for the work of the World Telecommunication Development Conference (WTDC-06)
146	Republic of Uganda	Strengthening the project execution function of the ITU
147	Finland	Proposed revision to Resolution 34 (Istanbul, 2002) Telecommunication resources in the service of humanitarian assistance
148	Common proposal from several Arab countries	ICTs indicators and measurements capacity building
149	Common proposal from several Arab countries	Regional portal to support E-government applications
150	Common proposal from several Arab countries	Arab centre for digital documentation (memory of the Arab world)
151	Common proposal from several Arab countries	Connection of Arab internet networks (national access points)
152	Common proposal from several Arab countries	Translation and Arabization initiative of ICT terminology
153	Common proposal from several Arab countries	Initiative for the development of an Arab regulatory framework/guidelines for ICT
154	Asia-Pacific Broadcasting Union (ABU)	How ITU-D can assist broadcasters

Doc. No.	Source	Title
155	Republic of Indonesia	Proposals of the Republic of Indonesia to the World Telecommunication Development Conference 2006 (WTDC-06)
156	Director of the BDT	Minimum budget of 260,950 CHF for the ITU-D Study Groups in 2006
157 (Rev.1)	Islamic Republic of Iran	Contribution of the Telecommunication Company of Iran to the work of the WTDC-06
158	Inter-American Telecommunication Commission (CITEL) Member States Common Proposal	Securing information and communication networks: best practices for cybersecurity
159	Mexico	Technological development and strengthening human capacity
160 (Rev.1)	Common Initiative from several countries	Support to administrations in the design and implementation of policies and programmes for large-scale development of broadband access, with a view to meeting national universal service objectives
161 (+Corr.1)	Common Proposal from several countries	Strengthening and managing Centres of Excellence in Africa
162	Canada and IIT	ITU-AFRALTI-IIT partnership: the contribution of the Tap-on-Telecom initiative to the strengthening of the Centre of Excellence network in eastern and southern Africa
163	Republic of Korea	Proposal on sharing experience in policy implementation for emerging technology adaptation to enter the ubiquitous society
164	Republic of Korea	Contribution to the ITU-D strategic plan
165 (+Corr.1)	Common Proposal from several countries	Assessment of the implementation of the Istanbul Action Plan in Central Africa
166	Inter-American Telecommunication Commission (CITEL) Member States Common Proposal	Draft new Question for Study Group 1 on the impact of telecommunication development on the creation of employment
167	Inter-American Telecommunication Commission (CITEL) Member States Common Proposal	Proposed ITU-D Question on disaster prediction, detection, and mitigation
168 (Rev.1)	Common Proposal from several countries	Contribution of Central Africa to the Doha strategy and action plan
169 (+Corr.1)	Common Proposal from several countries	Strengthening ITU's presence in the Central Africa Sub region

<b>Doc. No.</b>	<b>Source</b>	<b>Title</b>
170 (+Corr.1)	Common Proposal from several countries	Regulatory development related to media convergence
171 (Rev.1)	Republic of Cameroon and Republic of the Congo	Identification of Central African sub-regional projects for submission to WTDC-06
172 (+Corr.1)	Common Proposal from several countries	Improving economic development and bridging the digital divide with mobile communication
173 (Rev.1)	Russian Federation	Proposal to review Programme 2 of the Istanbul Action Plan – Technologies and Telecommunication/ICT network development
174	Secretary-General of the ITU	Proposed Presiding Officers of the Conference (as approved in the First Plenary)
175 (Rev.1)	Federal Republic of Nigeria	Resolution 36 (Rev. Doha, 2006) – Support for the African Telecommunication Union
176 (Rev.1)	Federal Republic of Nigeria	Resolution 35(Rev. Doha, 2006) Support for African ICT Sector in the framework of the New Partnership for Africa's Development
177	Caribbean Telecommunication Union (CTU) and Cuba	Development of a Caribbean Task Force on spectrum management – development of the inter-American regional initiative
178 (Rev.2)	Chairman, WG 2 of the Plenary	Impact of WSIS outcomes on the mission and work programme of the ITU-D
179	Central African Republic, Congo (Republic of)	Resolution regarding ITU assistance with spectrum management for closely neighboring cities
180 (+Add.1)	Chairman Committee 4	Note from Chairman of Committee 4 to the Chairman of Committee 3
181	Chairman Committee 4	First series of texts submitted by Committee 4 to the Editorial Committee
182	Chairman Committee 4	Note from Chairman of Committee 4 to the Chairman of Committee 3
183	Congo (Republic of the)	Draft Resolution regarding the management of top-level domain names by the countries concerned
184 (Rev.3)	Budget Control Committee (COM 2)	Draft report of the Budget Control Committee to the Plenary
185 (Rev.1)	Editorial Committee	First series of documents from the Editorial Committee to the Plenary
186	Committee 3	First series of texts submitted by Committee 3 to the Editorial Committee

<b>Doc. No.</b>	<b>Source</b>	<b>Title</b>
187	Committee 4	Second series of texts submitted by Committee 4 to the Editorial Committee
188	Working Group 1 of the Plenary	Texts submitted by the Working Group of Plenary 1 to the Editorial Committee
189	Common Proposal from the RCC	Draft New Question – Question XX-1/2 Use of Information and communication technologies in the management of emergency situations
190	Proposal from several countries	Proposal for revision of Study Group 2 Question 18-1/2
191	Chairman of Committee 4	Note from the Chairman of Committee 4 to the Chairman of the Plenary – Resolution 24
192 (Rev.2)	Editorial Committee	Second series of texts submitted by the Editorial Committee to the Plenary meeting
